

B.M.W. Riders Club of Toledo
January 13, 1970

The first meeting of the new year was held at Walter Friend's home. There was a lot of work accomplished that night, besides beer drinking. After much debate, we now have a constitution, that was oked by all the membership.

The club held a special meeting, thursday, the 22nd of January, at the secretary's home. All members were notified by phone, of date and place. There was 51% of the membership present. The meeting was held for the purpose of getting the by-laws oked. So now we have a constitution with by-laws. All members will receive copies with this news letter. Please read them over carefully. If there are any suggestions on improvements, please make it in writing and give it to the president.

At last, we now have a vice-president by the name of Walter Friend. He won over Don Arquette by a vote of 12 to 7. Do you think Walt pulled off some fast campaigning at his home, with free beer, to get the VP position??? HA HA.....

I would like to make a special request to all members have their money in for the Charity Newies race in Columbus. The tickets are five dollars a person. This is the price of reserve seat tickets. I would like to send them the money as soon as possible, so we will have good seats and stay together.

The next meeting will be held at Greg and Toet Kayoth. They live at 713 Parker st. Any question on how to get there, call 693-9190.

Without your support, were nothing

P.S. Read the by-law on dues. You'll have a chance to save some money.
