MARCH

Welcome to the club, Ted & Fran, you are now official members of the club, entitled to all privileges, as of March 10, 1970. We also have a prospective member at the meeting Tuesday. His name is Asa Freeman, and lives at 1831 Michigan. Phone #726-7014.

Congradulation are due for Earl and Carol Schwartz for their new born baby, Elizabeth Ann.

A few of the club are ordering their jackets and emblems. So I hope we'll have them by the next meeting, to give you an idea what our colors are going to look like.

To put a little fun in the club meetings, Harry Radebaugh made a motion & Phil Baum second it, to have a door prize at each meeting. So This is how it will work. Who ever has the meeting will be responsible for buying a prize, no more than three dollars in value. They will be reimbursed by the club treasurer. The prize could be anything a person could use on there bike, novelty item, etc.

Bill Crosby put a motion on the floor and Phil Baum second it, to have a secret ballot when voting in new members.

Greg Keyoth made a motion and Kitten Klear second it, to buy a subscription to the A.M.A. magazine. The magazine will give us information on activities in this part of the country.

We had a discussion Tuesday night on when we will have our first picnic outing. There were a few good ideas put forth. One good idea was having a cook out after a poker run, on a unday evening. I've done this before, several times and it worked out very good.

At the next meeting, everyone bring in their list of a afly equipment they usually carry wiht them on there bikes, so club members can exchange ideas. Also give soon thought on a pledge card for the membership. I also think we need a questionnaire for prespective members to fill out.

I called Columbus to find out were our tickets our at. They go on sale April 1st. and have gone up in price again this year. The date on Columbus is June 28th. All those intessted, the race in heidelberg Pa. is June 21st.

The next meeting date is April 14th at George Crosby home, 1819 Michigan. Phone # 729-1295.

Without your s appert, were nothing
