B.M.W. RIDERS OF TOLEDO
July 14, 1970

For our first meeting at the Travelers club house was a complet bust. I thought we would have a better turn out of members than we did. After the last meeting at Ace Freeman's home, there wasn't enough room for everyone. Now that we have a club house to use, no one came to the meeting. I only hope it was due to the fact that everyone was on vacation. So lets have a little more enthusiasm for the club, and get out for the meetings.

On August 2, Northwestern Metercycle Assn. will held there annaul field meet at Delta Metersport Park, in Delta Ohio. Straight out airport highway. On this day we are planing to meet a B.M.W. club from Detroit. I have been in contact with a Jerry Shaw from the Detroit club, and the meeting place has been confrimed. So by the time this newsletter reaches you, the event will be over.

We will have a meeting befer the next two events come up, but I would like to mention them now so you will plan on attending. On August 16, There is a charity poker run in Buffale New York. We will travel on the Canadian side and camp out along the lake. On August 21, 22 & 23, there will be a B.M.W. rally for all BMW clubs in this part of the country. Their will be prizes for the oldest bike, eldest rider, longest distance and events. There are camp grounds and metels avaible for everyone. This event will take place at Hidden Hollow Guest Ranch, 10 miles from Carrollton Ohio off Rt/ 171. Lets everyone start making plans now, to attend this exciting events. This will be the event of the year, for BMW clubs.

The next club meeting will be August 11, at the Travelers club house, 5819 Derr St. Lets have a better attendance than the last meeting.
