

BMW RIDERS OF TOLEDO
AUG. 11, 1970

We gain a few, and lose a few. Welcomes Al and Jay Legal and Frank Springstead as are newest members to the club. We lost Ted and Fran Kehankie as club members because they missed three meetings in a row. Also, Don Arquette quit the club for personal reasons.

A lot of hell was raised at the meeting tuesday night. First of all, the dues have been raised from one dollar to, two dollars a meeting. The initiation fee went from five dollars to ten dollars. Not to much was said about the initiation fee, but everyone sure raised Cain about the two dollars. I don't think this is to much to ask of members for the club. Besides the treasury could stand a build up at this time.

Ace Freeman made the motion to increase the initiation fee from five dollars to ten dollars. Kitten Klear second the motion.

In the club constitution, art. 12 the quorum of 51 % has been changed. Liz Smith made the motion and Bob Klear second it, to change the the quorum to 25%. All the membership was in favor for the change. The reason for this, so the club can get club business done. Latly the club attendance has fallen off and we need a lower percentage to accomplish club business.

We received an invitation from the Detroit BMW club. They are having a picnic on Sunday, Sept. 13th. It will be held in Highland Park Michigan. If it should rain, they will hold it the following weekend. We can discuss departure time from Toledo at the next meeting, Sept. 8th.

Let's everyone make it a point to call Liz Smith at 698 3740 at the end of each month and give her your odometer reading. You ciling her, would make her job a little easier for her. So give her a ring, she will love to here from you!!!

Without your support, were nothing
