BMW RIDERS OF TOLEDO
OCTOBER 4, 1971

On Sunday, September 19th, there were a few of us that went to Utica, Michigan to attend the picnic, put on by the BMW Touring Club of Detroit. They served us plenty of food, and drinks. Those of you that did not make it missed a good feed.

Come on lets get those bikes out, as we are getting close to the winter months. There is not all of that much nice weather left. The club has been taking in for the last couple of weeks a Friday night ride. The first week only three machines turned out, but this past Friday we doubled that amount with a total of 7 machines. This coming Friday we are planning a ride to the Toledo Express Airport. We will be leaving from Don's Drive Inn on Summit St. at 7:00P.M. Come on, lets have a good turn out.

This past Sunday the 3rd of October, a few of us attended the Poker Run in Kenton, which took us through some pretty hilly country. The weather was beautiful along with the scenery. There were none of us lucky enough to bring home a trophy.

I'm sorry to have to mention, but we have lost our new prospective member, Bill Washer. Bill died Saturday, October the 2nd, of injuries he recieved in an accident, 21 hours before on Friday.

IDEAS

Does anyone have any ideas on planning a picnic to invite the BMW Touring Club of Detroit down as guest? Bring them to the meeting.

Ron Rudolph would like for me to inform all of you, he is planning to bring his slides to our meeting which will be on Tuesday, October the 12th. His slides are of all the different things the club members have done during the past year. Hope to see all of you there!!!
