

BMW RIDERS OF TOLEDO
MARCH 6, 1972

Well here it is March already, as this means the riding season is about to be in full swing. From what I hear there is several different type of events, and trips in the planning for the coming summer.

REMINDER - During the past summer at one of our meetings, it was voted on and passed that our club join the National BMW club, which we need 10 individual members to belong, and as of the present we do not have the 10 members, so I might remind you people who are interested in joining, I do have applications for you.

Our club display, that was in the planning at last meeting for the Autorama, went off quit well. The people whom were on hand at the show, talked to several different interested people.

Ron, would like to remind those of you that are suppose to get prices on trophies, to be sure, and have all of the needed information at the coming meeting. DON'T FORGET !!!!

Dale and Mary Foster have volunteered to have the coming meeting at their home, which will be MONDAY, March 13th.

Directions to the Fosters are as follows: Take Summit St. to 101st St. turn left, go straight to 289th St. and turn right, and their house will be on the right side. Their address is: 4514 - 289TH St.

Come on all of you, and put this day (3/13/72) aside and attend the meeting. Hope to see all of you there.
