

BMW RIDERS OF TOLEDO
JUNE 29, 1972

The group of us, who attended "The Christmas in June" Rally in Indianapolis, on June 17th and 18th, had a real enjoyable weekend. The weather was perfect, not too cold not too hot, and everyone made it there and home safely.

The Indianapolis Club, scheduled a couple of things different than last years rally, that were very interesting. One was a Sky jump, performed by a motorcyclist, and the other was a Hill Climb event put on by one of their area clubs.

Those of you, who are members of the BMOA, are familiar with the Anonymous book. On June 7th, the Secretary-Treasurer of the BMOA, John Moore, and his wife of Newark, Calif., used their anonymous book, and gave Don, and I a call. They spent the night and till noon the next day with us, before leaving for Buffalo, NyY. We were very honored to have them as guests.

Those of you that do not already belong to the BMOA, and would like to join, I have several applications, and I'll have them on hand at the meeting. Just ask for one.

Here are a few of the scheduled events for the coming month:
