

BMW RIDERS OF TOLEDO
NEWSLETTER
JUNE 27, 1973

Since this is the first Newsletter since our "First Annual BMW Rally", I would like to thank all you members, who helped put the rally on. All of your time, and ideas were appreciated very much. Also, many thanks to Jean Rihl, from the Pittsburg club for all of her help.

By the way I might mention an article on our rally, was published in the Temperance paper "The Courier". I have purchased 10 copies, which I have on hand, for anyone who would like a copy at 10¢ each.

As planned at our last meeting, our club picnic was held at Pirolli Park on June 23rd. Sorry to say not many members, attended, but the few of us that did had a real nice time, and some real good food, and of course plenty of beer.

Clarence, and Jean Mead have arrived home safely, from their trip to the California "First National 49'er Rally". I understand they traveled 9,000 miles and the only problem they had, was they lost a couple of spokes.

Sally Long, a member of the Detroit club, had an accident enroute to the National Rally, near St. Louis, Mo., and I know she would appreciate a card sent to: 4404 Pembroke Lane, Fort Wayne, Indiana 46807.

CONGRATULATIONS: Ace and Anne Freeman, are the proud grandparents of a new granddaughter born June 25th. This is their third grandchild, and all are girls.

FOR SALE: Avon Fairing, contact Ace Freeman - 726-7014

I might add on this one, upon receiving the Detroit club's Newsletter, they are quite proud of walking off with a large variety of the prizes, and trophies especially the largest club participation, so lets us "The BMW Riders of Toledo" get out there, and see if we can be the largest club participating at the "Four Winds Rally".

Our next meeting will be MONDAY, JULY 9th, at 8:30 P.M. at Travelers club house.

Without your suport we're nothing.
