

BMW RIDERS OF TOLEDO
NEWSLETTER

AUGUST 2, 1973

Last month's meeting, the membership voted four new members into the club, they are, Don Madlinski, Jim Zimmerman, Les Duning, and Tom Hamann. WELCOME, fellows we are happy to have you.

There has been a few events, that some of the members have been attending during the past month. Don and myself, spent our vacation down in the Smoky Mountains, and attending the "Rocky Bottom 100" Rally, at Table Rock State park, South Carolina, also Walt Friend rode down for the weekend to attend.

On July 15th, a group of members attended the BMW of Battle Creek's Poker Run, and they won a trophy for the largest club participation. Also I understand Myra Shirey, won her first trophy at the Poker Run.

Then on July 20, 21, 22, another group of us attended the "Buckeye Rally", in Loudenville, Ohio, again taking a trophy for the largest club participation. Mind you it is about 2½ foot tall. Many of the members also won door prizes.

As you see we have been participating quite well, at the rallies, and I would like to see us be the largest club at the "Four Winds Rally", and as many of you know, it will take the largest share of our members to attend, to beat the Detroit BMW club in attendance.

The "Four Winds Rally" will be August 10, 11, 12, and there will be three groups riding down. Departure time and dates are as follows; Friday, Aug. 10 9: A M, Friday, Aug. 10 - 5: P.M., and Saturday, Aug. 11 - 7: A M, all leaving from Sears Automotive Center, parking lot at the Woodville Mall. If you have any further questions, give me a call.

The latest rumor----- Dale Foster, has his BMW up for sale, as I understand he bought a MotorGuzzi, Booooooo!!!!!!!

Our next meeting will be TUESDAY, August 14, 1973 at 8:30 P.M., at Travelers.

Hope to see all of you there!

Without your support we're not a thing,

Your Secretary,

Liz Smith
