

BMW RIDERS OF TOLEDO
NEWSLETTER
AUGUST 29, 1973

For the month of August, the only event some of us attended, was the " Four Winds Rally ", in Carrollton, Ohio.

For those of you, that did not attend the " Four Winds " missed the largest attended "BMW Rally" in this country. I understand there were (302 BMW'S) there, plus a few off brand machines, and something like 500 and some people.

Our club was not the largest participating club, but we did come in second. Which was not bad, considering the Detroit Club won with better than 30 machines, and some 50 people present.

None of us were lucky enough to win any door prizes, or trophy's, but Mike Todd did come in third on their Poker Run, but sorry to say, they only gave trophy's for 1st, and 2nd.

Addition to last months newsletter, on the Battle Creek Poker Run, Mike Todd won the National Trophy (the one shaped like the U.S.) for long distance. How about that Mike, I didn't forget you all together!

At our last meeting, the membership decided we should have a banquet, and it should be held around the last part of November. As of yet we have not set up any reservations, and if anyone does have information on an ideal place, please call.
