Eight riders went to Frankenmuth, Michigan. on four bikes. Bob, Ruth, Ricky, and Renee Boyd, Don and Liz Smith, and prospective member Jim McIntosh and wife Pat. Those of you that didn't go missed a great Chicken dinner, a quaint village, and a chilly campout plus a club function. The beer was good also.

Any club member who didn't get one of our club rally patches, and would like to have one, should contact Don Smith at 698 3740. I will see that you get a patch.

The following is a short biography of your V.P. Bob Boyd. Your V.P. an ex Harley rider has been riding since 1953, and has been an AMA member for 18 years. His first bike was a 1946, Harley 45, second a 1950 Harley 74, third a 1953 Harley 74. My fourth Harley was a 1967 Electra Glide. I now have a 1974 BMW R 90/6, and my wife Ruth has a 1971 BMW R 75/5. I met my wife on a Poker Run in Delta, Ohio, while I was home on leave from the Air Force. Seven months later I came home on leave, and married Ruth. We have 2 children, Ricky 10 and Renee 7, and usually they can be seen riding behind mom, and dad, or sleeping at our club meetings. As you can see Bob was a Harley man, tried and true, but came up to a BMW. Bob I hope you're as loyal to BMW as you were to Harley Davidson. Don,

Walter Friend's son in law, Paul Pratt filled out an application for membership into our club. You should be seeing a lot of Paul at our functions. He was a great help at our rally. Welcome aboard Paul.

July 26, 27, & 28, Buckeye Rally, sponsored by Western Reserve. Your President has entry blanks on this rally. If you need one let me know.

Hope to see all of you at the Boyd's, and at Table Rock!!!!!!!!!!!!

Ride on
