

BMW RIDERS OF TOLEDO NEWSLETTER
August 1974

The National Rally at Table Rock, South Carolina was a big success. 750 BMW's and 1100 people camped in the state park. Conditions were crowded, but thoroughly enjoyed by everyone. A Georgia rider rode away on the new 90S that was raffled.

The Buckeye Rally, held in Jefferson, Ohio, was well attended by our club. Eleven Toledo members showed up, but Pittsburgh took the best attendance trophy with 14 members present. However, the lion's share of the prizes came home with our riders. Liz Smith rode back under a new Buco helmet, Al Roeser received a new leather jacket, and our club's own foremost authority on the music world came back with a rainy day fender. None but Don Smith knew that the fender was named for a song by Bob Dylan, "Rainy Day Woman 12 & 35"; thus he acquired the fender.

Jim and Pat McIntosh would like to borrow a tent to sleep four and two sleeping bags to make the Four Winds Rally. If you can help, call before 12 or after 9 at 874-3833.

Our next meeting is Tuesday, August 13 at 8:00 p.m. at Smith's 1415 Mott.
