

BMW NEWSLETTER
OCTOBER, 1974

THE Akron Rally was the main attraction this past month. Eight members from Toledo Club attended. Paul Pratt and Don Smith returned with first place honors from the tire roll. This was the first "Rubber City Rally" held by the Akron Club. Judging by the attendance of 150 bikes, it was a great success, and we hope it will become an annual event.

The Wisconsin Rally the weekend of September 20 didn't draw any of our cold weather riders this year. However, Dale Foster went ⁱⁿ style by plane.

We would like to welcome Steve Dick and Paul Pratt as new members, and re welcome Harry Radabaugh as official BMW Riders of Toledo.

Our next meeting will be October 8 at 8:00 in Bellevue at Mike and Jean Todd's. Hope we'll see everyone there.
