NEWSLETTER

FEBRUARY 2, 1976

At the last BMW Riders of Toledo monthly meeting on January 20, 1976 three new prospective members were present. Bob Peck, of Helena, Ohio is sponsored by Mike Todd. Bob has been riding for 7 years, and presently owns a 1975 R60/5 BMW. Charles and Betty Kindle, of Toledo, Ohio whom are sponsored by Anne Freeman have been riding for quite a few years. They are the owners of a 1974 - 750 Honda.

Our newly elected Road Captain put out a questioner, which I enclosed in your last newsletter. To date he has not received all, or even half of them back. Last year there were several complaints, about not having club rides, or campouts. Now you have someone interested enough to see just what the members would like to do, so be considerate enough to turn in your opinion by sending your questioner to him, or take it to the coming meeting.

#### WINTER ACTIVITIES - By Ace Freeman

Only three brave soles showed up for the annual winter campout, on January 24, 1976. Andy Elder, Don Smith, and myself. What happened to you MIKE TODD, AND HUNTZ GREGORY????? We had a real good time, telling lies, drinking beer, and eating some good chile made by Don.

At last months meeting Tom, Andy, Mike, and Ace volunteered to check different campgrounds for prices, and facilities for our coming rally. They will be reporting their findings at the coming meeting.

REMINDER: Treasurer, Anne has a few members, that are past due, with their dues. Again she ask if you are not planning to attend the meeting, please mail her a check.
