RIDERS OF TOLEDO, INC.

1415 MOTT AVE., TOLEDO, OHIO 43605

NEWSLETTER

MAY 4, 1976

Welcome again to another new member, Bob Peck, whom was voted in to the club at our last meeting. Bob is the owner of an R 60/6 BMW.

Attendance at the Mini Rally, in Coldwater, Michigan was rather good, however it could have been better. Believe it or not there was some sunshine. Due to a working schedule, our President, and member Bob Klear, were unable to attend on Saturday. So Sunday morning they headed up to Coldwater, but due to a small electrical failure, on the President's machine they did not make it.

Any of you that have any donations for the goody bags, or door prizes, for our rally, please bring them to the meeting.

For those of you that did not attend the last meeting, Don Arquette showed up with a new R 75/6. Don, we never thought you would give up on the old models. Also member, Walt Friend, now is the owner of a new 90/s.
