NEWSLETTER

JULY, 1976

Since last meeting, a new procedure on getting the members toge-
ther for rides, has been set by our President, V.P., and Road Captain.
You should have been notified by your committee person. If for some
reason you have not been contacted, every Sunday morning at 10 AM, a
ride will depart from the L & K Restaurant, on Buck Rd., just off of
I 75. The decision as where to go, is decided the day of the ride.
There fore if you are not attending a rally, or have nothing better
to do, and would like to go for a Sunday ride, this is the purpose
of these rides, or if you cannot go, stop in and have breakfast with
those whom are there. For the last two weeks, the rides took those
attending the first week, to Milan, Ohio, to the home of our club mem-
bers the Thompsons, the second week, to the Space Museum, in Wapakon-
eta, Ohio.

Also, our newsletter is still in need of articles about club act-
ivities. I'm sure there are someof you attending these activities,
that can write, as well as ride.

Ohio Cavern Ride - Tom Fuch, reports a very successful ride, with
a total of 18 members, and five guests attending. By the way, Tom is
planning a ride to the Wright Patterson Air Force Museum, including
an over night campout. The date and more details to follow.

The Great River Road Run, was attended by six of our members,
and one guest, as reported by Ruth Boyd.

The Square Route Rally, was attended by only one of our members,
Don Arquette.
