NEWSLETTER

DECEMBER 1976

Well here it is, the info most of us have been waiting for on the 1977 BMWOA NATIONAL RALLY. The Board of Directors, thought it was time to have it out West this year. It will be 60 miles from Denver, at Colorado Springs, Colorado. Sponsered by the National, July 8th, 9th, and 10th, 1977. It will be \$16.00 per person pre-registration, and \$20.00 at the gate. Now you can plan your "77" vacation!!!!

The November meeting consisted mostly of nominations for 1977 officers. Also since the secretary job was beginning to be such a big job, the secretary will no longer be doing the NEWSLETTER. Volunteers were asked for. Rita Morgan said she would try the job, if her husband, Bill, and Mike Todd would help out. So this is our first try at it. We only hope we can keep you as interested, and well informed as Liz did. She has done a Tremendous job. THANK YOU LIZ, from all of us.

It's time once again to elect the candidates of your choice for club officers. So let's have a big turn-out at the Dec. meeting at the home of the Boyds. Be advised, anyone running for office, or wishing to run, must have your dues paid up, and must own a BMW.

ELECTIONS - The following have been nominated for office for 1977.
