NEWSLETTER

MAY 1977

Hey now, just goes to show what a little warm weather will do. By my count we had 35 members present at the April meeting. This is the first time we've had this many members together since the Banquet in Dec. Also we are very fortunate that we have a meeting place large enough to accommodate all the members at once. But here, a word of caution. Let us all use some common sense in coming in, and leaving the trailer park. RIDE SLOW, AND KEEP THE NOISE DOWN TO A MINIMUM. If we show some consideration, we may have this meeting place for a long time to come. We also had 8 guests present at the April meeting. I can't give you their names, as I don't have them. But all in all a very good turn out!!

Didjanotice, Mike Todd showed up on a bran-spanken new R75/7 with mag wheels. Never thought you would give up on the old models, Mike!! Also your editor has to admit to buying a new bike this year. Would you beleive a, welll,blush, er,ah,a, oh heck a 750 Honda Automatic. Bill Pettit is going around telling a story about me, and this bike, that I am not going to admit to however.

Rally: Well, this is the last newsletter befor the Rally, which comes off May 20, 21, and 22. Everything seems to be going along smooth. The meeting for the committee managers that was set for Sunday April 24, and was canceled, will now come off Sunday, May 8th. Please be at Frisch's Big Boy, western edge of Fremont, at 10:00 A.M. sharpe. Managers should make it a point to be there. You will find enclosed with this newsletter, a list of names. This list was made up by Jan Linder, who is manager of the concession stand. You are to work the concession stand at the hours indicated. If for some reason you cannot be there at that time, it is up to you to find your own replacement to work for you. Please cooperate. Lets all try to make this our best Rally yet!!

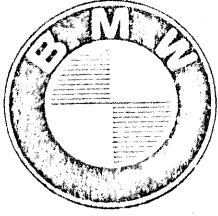

Events: The only events I have listed for May is the Shakamak Lake Rally, May 13, 14, and 15th at Shakamak State Park - Indiana. For those of you who may be interested, a couple of Poker runs; May 15 - 1 P.M. Yankee Motorcycle Club Inc. Club House, Dowe Road, Defiance, Ohio Phone 419/784-3089 Williams County Motorcycle Club Inc. May 29 at 1 P.M. Start at Williams Co. Fairgrounds. Montpelier, Ohio Phone 419/485-5836. Steel Steeds Motorcycle Club. May 30 at 1 P.M. Paulding Fish Club, 1 mile south Paulding on US 127. Paulding, Ohio Phone 419/399-5521.

Freebee: Old fellow who lives next door to us is a sign painter, he made us up a welcome sign for the Rally, it is about 3 foot high, and 4 ft. wide. It will be set up at the Pre-Entry, and Sign- in booth as you come into the Rally. Nice, and it didn't cost the club a penney!!

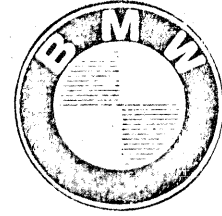

Meeting: Our next meeting will be Tuesday, May 10, 1977 at Woodland Estates Mobil Home Park, on Oregon Rd. at 8:00 P.M. See Y'all.

WITH YOUR SUPPORT, WE CAN GROW
