JUNE 1977

Well here it is June, do you realize that by the end of this month, 1977 is half gone!! Our 1977 Midwest Rally is over, and thus passes on to the pages of past history. But it was the best one yet!! Mike Todd tells me, we had 175 registrations, plus guests. Sure seemed like more than that though. Joe Wright says he felt everyone on the committees done a very good job, and thanks all the committee people for their dedication. Also, and I think everyone will agree with me, the Field Events committee had a really great program. About the only sour note of the whole Rally, was the 20 or 25 riders who got lost on the road tour. Oh well, you can't win them all!!

STATISTIC REPORT: Seems that Ray Williams has trouble keeping his hand out of his saber-saw. How about that Ray??

CLUB PICNIC: At the May meeting, it was decided to have a club picnic again this summer. Liz Smith was voted in as chairman of the committee, with Scott Brown, and Paul Pratt assisting. They are to check out available picnic sites, and report to the membership at the June meeting. But please people, lets pick a place with a pool.

CLUB ROAD TOUR AND LUNCH: Something new!! We will have this road tour once each month. We will meet at a different location each month, at 10:00 Sunday morning. Dates, location, and what to bring will be announced in the newsletter. If it is raining that Sunday, it will be on for the following Sunday. Here's how it will work. I will furnish a large pan, or kettle, and name the main dish. You will bring enough of the main dish for yourself, or yourselves (two-up,) plus whatever you want with it. This is not a pot-luck, you eat the food you bring. Ready, here's the info.

Date: Sunday - June 12, 1977 - 10:00 A.M. sharp

Meet: Schiets parking lot. Fremont, Ohio

Main Dish: Smoked sausage (you may sub weiners, if you don't like sausage)

Then: You bring bread, or buns, pickels, mustard, potato salad, thermos of coffee, tea, pop, ect. This is just as example, you bring whatever you prefer with the main dish.

We Will: Get water boiling in the large pan, you toss in your sausage, when it's done you eat. What we want to stay away from is a lot of dirty dishes, so paper plates, plastic knives, forks, spoons are the order of the day.

Ride Destination: Sorry about that. Be there at 10:00, and find out!!

EVENTS COMING UP: Rubber City Rally - July 29-30-31 - At Randolph Fairgrounds North of Route 224 on Route 44 - Akron BMW Club. -----FOUR WINDS BMW RALLY - August 19-20-21 - At Colwells Campground - Knox, Penn.
