OCTOBER 1977

HOWE YAWL;

Here we are well into October, and the 1977 riding season is fast drawing to a close. This is that time of year when most of us have to start doing some of those chores around the house, (that we been putting off all summer,) and get the homestead buckled down for the winter. We had only 18 members, and no visitors at the Sept. meeting. Wot happened?? While we're on the subject of attendance, other than Bill and I, one other couple, (Huntz & Marcy Gregory) showed up for the week-end campout. Out of 44 members in this club, thats really a great turn out people!! Am I to understand that all most of you want out of this club, is a monthly membership meeting, and a newsletter???? I would really like to know, so lay it on me.

1976 Addition To Art. 10 of the Constitution: Outgoing officers will form a nominating committee during the month of October. They will canvass members to see who is interested in running for the various offices in the up-comming year. The names of these candidates will then be published in the November newsletter. Addittional names may be added at the November meeting. Elections will then take place at the December meeting.

Technical Adviser: It will be voted on at the October meeting that the club have a new office holder, to be known as Technical Adviser. Be thinking about it.
