February 1978

Howe Yawl;

I don't know how the rest of you feel, but as for me I've had about enough of this white stuff, and am ready for some warm weather!!

NOW HEAR THIS: You are all invited to the wedding of Marjorie Ashton and Edward Dietz. Saturday - February 18 - 7:30 P.M. - Grace Luthern Church - State St. (old Rt. 20, right in Fremont) Fremont, Ohio. Reception following ceremony at Ramada Inn. (turnpike exit #6 - Rt. 53 north) YA'ALL COME!!!

UGE DEPT: Mike Todd called me, and said our long awaited Rally patches for last year (remember) have arrived. But, yeah, you guessed it, they are all wrong, and will have to be sent back. Maybe by 1979 we will have our 1977 patches. Think maybe we ought to get another company to make up our patches!!

DUES: Being that our January meet was called off, please plan on paying your dues at the February meet. If you cannot attend the Feb. meet, please send your checks to Rita - 443 Lawrence St. Bellevue, O. 44811. However don't expect a new membership card right away. We are having some new ones made up, and Rita hasn't got them yet. So hang in there.

MIDWEST RALLY: Our Rally will be the 19 - 20 - 21 May at Crystal Rock KOA. And as usual we need some volunteer's, so lets get those hands up, and get the job done. People who have volunteered so far are; Norm Radtke, and Dave Keil - Rally Chairmen. Don Smith made up the  $\frac{1}{4}$  page advertisement for BMWMOA News, and sent it off. I sent in the advertisements to Road Rider, Rider, and Touring Bike. Because of the lead time of these magazines, these adv. had to be sent off at once.

TIP: I don't know how many of you seen it, but in the February issue of RIDER on page 36, there is a excellent artical on BMW tune-up.

PLANT TOUR - BMW TECHNICAL PROGRAM: Dale Foster has set this up at Champion Spark Plug. Dale says it is rather expensive for the company to do this, and he must have a group of 30 or 35 people. He must know if you are going by the February meeting at the latest. Program will be Thursday - March 16 - 7:30 P.M. at 900 Upton Ave. - Toledo, O. To get to the plant take Rt. 75 or 280 to 475 - 475 west to Jackman Rd. exit. - Turn right on Jackman Rd. to Central Ave. - Turn right on Central Ave to Upton Ave. - Turn left on Upton Ave. to Champion Plant. This should be a very interesting tour.

BMWMOA NATIONAL RALLY: Any of you wishing to write for information as to motels, and things to do in and around Rutland, Vermont, the address is: Chamber Of Commerce, 1 Mead Bldg. - Rutland, Vermont 07701.

MERTING: Our next meeting will be Tuesday, February 14, 1978 at Woodland Estates Mobil Home Park on Oregon Rd. at 8:00 P.M. See Ya Then.
