HOWE YAWL:

Well our 6th Rally is over, and gone, it had it's wet moments, but all in all things came off very well. It was too bad what the storm did to Bob Klears, dads, trailer. I suppose all of you took note of the fantastic beer cooler that Denny, and Mike came up with, GREAT!!! And lets not forget the road tour, and field events, which were both very good!! Now the sour notes,-- We lost most of our Rally route signs. -- We've got 101 T-shirts left over. -- And 240 Rally patches left over. We will decide what to do with these items at the June meet. More good news though, even with these left overs, we cleared about \$500.00 on the Rally!!!!

We had 26 members present at the May meeting, also prospective members Donna DeLong, and Joyce Beck. Also present were 3 guests, Ed Dietz, Sally Myers, and Donna Thompson Jr. It was voted in at the May meet that person serving in the capacity of Technical Advisor will be a full officer, and will pay no dues. Members voted to buy the CHITECH tune-up programe for \$20.00.

CLUB BANNER: All of you be sure to give Marcy StJohn a hug (er sorry about that Ralph) or at least a special THANKS for making up that NEW, and COLORFUL club banner. GREAT JOB MARCY!!!!

WHEELING W. VA. RUN: Frank & Myra Shirey, Bob Peck, and Joyce Beck led by Huntz & Marcy Gregory made the Wheeling run May 27 & 28, and watched the Freddie Fender show while they were there.
