HOWE YAWL:

The summer is getting on, by the time you receive this newsletter, the month of June will have passed beneath your wheels. These summer months sure go faster than the winter ones, seems like !!!

NEW MEMBER: We welcome to the BMW Riders Of Toledo, Joyce Beck, who lives over Norwalk way, and rides a new Honda CB 500 V-twin.

NATIONAL BMMOA RALLY: I suppose by now all of you have your plans made to go to the National July 20 - 23 at Rutland. As for Rita, and I, we have worked our vacation around the National. After the Rally we will be going on to Bar Harbor, Maine along with Ed & Marjorie Dietz. We plan on taking in Acadia National Park, touring along the coast, and doing some fishing. If you haven't made your plans yet, better get with it, July 20 - 23 will be here before you know it!!! See you at the Rally.

JUNE MEETING: This club missed out on the CHITBCH tune-up program, one of the other clubs beat us to it. We voted to give Vince Klear a check for \$35.00 for trailer damage. There will be free pop, and coffee at meetings. Don Thompson sent the club a card of thanks for returning his registration fee, (he's the one dropped his bike on Rt. 269). And left over T-shirts will be sold to club members for \$2.00 each at July meet.

LOST OR MISPLACED: 4 small white envelopes containing door prizes, at the KOA campground. A cruise control donated by Shamrock Cycle of Genoa. These items are all small and may have been picked up with something else. If you should happen to have them, please bring to the July meet.

RALLY REPORT: Norm & Dave would like each Rally committee manager to write a few lines on how each one feels his or her committee could be improved for next year. You know, the snags, and bottlenecks that you had in running your committee, that could maybe be eliminated next year. Lets get behind Norm & Dave on this !!!!
