SEPTEMBER 1978

HOWE YAWL:

Bouy - these summer months do go by, if only the winter ones went as fast!! Want to say to those of you who did not attend the club picnic-Rally at Dayton, missed a great week-end. Don Smith, and Dale Foster done road captain duties for Huntz, (who was unable to attend) on the club picnic ride. Bettye also had a canoe trip set up for those who didn't go on the ride. Most of us took the canoe trip. This was a 3½ hour trip over quit water, and rapids. There was one really bad spot where the water went through a narrow chute about 5 feet wide, then dropped down about 4 feet. Rita, and I were the first to upset here, next came Ed Cook, and Donna. Ed is an old pro at this sort of thing, simply closed his eyes, and he and Donna went right through. Next came Connie & Ray Williams, they took one look, went over to one side, and carried their canoe over some rocks to the other side! Next to get wet was Norm Radtke, and his girlfriend, they got to far over to one side, and over they went. Then came Frank & Myra Shirey, Myra took one look, and said NO WAY!! So Frank pulled over to one side, and Myra stepped off onto some rocks. It was right about here that the body surfer in Frank came to the surface, he got to thinking it would be fun to go down through that chute without the canoe. He parked the canoe sideways in the chute, water poured into one side of the canoe, and washed Frank out the other side, and he made the trip without the canoe!! This is a little rough on your wristwatch, and contents of your billfold, but body surfers are willing to put up with minor things like this!! Frank is the only man I know that can fold a canoe in the middle, so that both ends are pointing skyward!!

P. S. - If you ask him nicely, he might tell you how it's done.

We had 17 members present at the August meeting. 1 guest Kathy Warner, and 1 prospective member Donald Thompson. We had 22 members at the club picnic.

KOA: You will notice that your newsletter comes to you this month in a KOA envelope. When we sent the names in for the Preferred Campers cards, Rita ask that the cards be sent to her, and she would distribute them. Those nice folks at KOA sent Rita addressed, stamped envelopes with the cards!! So we are saving the club some bucks by sending out the newsletter with your card, (that is if you haven't already gotten it). Carry this card with you at all times when camping, it can be a big help.
