May, 1979 NEWSLETTER

Howdy:

The riding season is back in full swing. Unfortunately, that also means that the lawnmower season is also with us. I guess we take the good with the bad.

Meeting: We had 19 members and 6 guests present. Current balance is \$1507.78. As you will note above, we are now an AMA chartered club--with the same number as we previously held. Anyone interested in the weekend country show in Wheeling, contact Huntz. Most of the remaining discussion centered on our rally.

Rally: Gayle and Ace have really got everything together on this one. Ace is getting good response on door prizes--more at our next meeting. We need more items for the ditty bags--anything you can think of. Club members will be allowed to enter field events, but will not be eligible for door prizes. We have invited Kieth Patchett to give his panic stop demonstration. The following duty sheets detail the work schedule. If you can't make your time slot, please find a replacement.

Rider Profiles: This time we're trying something different. This should catch two people by surprise, since we haven't talked to them about this! This month we feature Bill and Rita Morgan. Rita is our current Treasurer, and Bill is past Newsletter Editor.

Bill is originally from Fostoria, and Rita from Sandusky. Rita works at Hoagues IGA in Bellevue and Bill enjoys the night shift at the Ford plant in Sandusky. They are the parents of two daughters and have a grand-daughter.

Bill used to be a Harley pilot as a young man, but quit when he "settled down." However, a certain 1974 BMW tempted him and he fell for it. Now he pilots a 1977 R100/7 (probably has sprayed Armor-all all over it!). Rita decided to take lessons and did a job on a 350 Honda in the process. Now she has a 750 Hondamatic--yes, it is a two-wheeler!

The high point of their riding career is probably making the back cover of Butler & Smith's magazine (a picture taken in Rutland). Other things they enjoy together include setting up a tent in a windstorm (Try it sometime!), going to Daytona to "gross out" the greasy Harley chopper types camped next to them, rescuing Frank & Myra's U-boat at Bettye Mobley's rally last summer, and riding to the VFW in the back of a pickup truck (attempt that when it's raining like hell and you're rather "soused.").

Some tidbits you'll have to ask Bill about--Akron apples and the aftermath, and tailgating a moving mobile home with a "moving" peep show (did you get the license number, Bill?). Bill is a big outdoorsman--probably will have his fishing rod along in Minnesota. Bill & Rita hosted the past X-mas party at the Holiday Inn last year. Helmets off to two real hard-working club members!

Our next meeting will be Tuesday, May 8, at 8pm, at Woodland Estates Mobile Home Park, 28180 Oregon Road. See you there!

Your Beastie Newsletter Duo,

Ralph & Marcy
