

Hi All,

Due to the slower than Federal Government Francise,
The US Postal Service, I am told some members did not get
the newsletter in time.

The next meeting is Feb. 9, 1982.

We are going to be eating breakfast at Sour Dough Charlie's
on Reynolds Rd. near K-Mart on Sundays at 10:00 A.M.

Dale Foster is looking for someone who has access to a
16mm sound projector for tech. films to be shown at meetings.

January meeting was small, 13 members and 1 guest at-
tended.

Rally May 21, 22, 23 if we can find a sight.

Don Smith needs to get a head count for the Freeze out
Feb. 27, let him know at the next meeting or by phone, any
one with snowmobiles there are trails available.

It was suggested at the Jan. meeting to take a survey
of Motor cycles ridden so go out and count the letters on
one side of the gas tank.
