September 1984 Newsletter

Dear Members,

The summer is almost over and it seems as if it was only a couple of weeks long.

Our August meeting was at Dan and Leslie Braun's home. There were ten members and two guests; Ed Suttons son Andre and the Braun's neice, Angie. We also had two former members as guests; Myra and Frank Shirey. Our new balance was reported by Leslie Braun as \$1362.93.

Maumee Bay State Park will be our picnic site on September 16th. We are having barbaque chicken and everyone should bring a dish. Please contact Leslie Braun (419) 471-1915 about the type of dish you will bring and who is going to show up, so there will be enough chicken for all.

Dan Braun was voted as chairman of the 1985 rally. The Christmas Banquet was talked about and it was decided fifty percent of all members dinners would be payed for by the club.

I would like to thank Darrell and Monte Fultz (who are no longer members) for being the only ones to show up for the ride to Stagecoach Stop USA. There will be no more scheduled rides by the Road Captain for the rest of the year.

Next months meeting will be September 11th at 8:00 p.m. at Donna Delongs home at 1819 Pool Street. It is between Tracy Street and East Broadway.
