Howdy Do ! Observation; When it is 10 degrees F. and the roads are icy in Washington D.C., the motorcycle police put sidecars on their bikes and gut it out. I saw five of them on TV escorting the President to his inauguration.

NEWS: We have a new dealer setting up in the area. Ray's Yamaha on Telegraph Road south of Monroe will be in the BMW business in February. I'll get more info on their set up next issue.

JAN. MEETING: Our January meeting was 1/8/85 at Donna Delong's house. We had nine members and one guest, Art Lilje, present. Treasury has \$964.04 in it. Dale Foster is off the sick list and brought up the tech subject of oil viscosity.

DUES: Membership dues are to be in by the end of March. Try to send them to Leslie Braun earlier.

SUNDAY BREAKFAST: I don't know if any of you have gone to the Sweden House on Alexis Rd. at 11:00 am. I have once but no one else was there. I usually eat breakfast the 2nd and 4th Sunday with the Blue Knights at 11:00 am at the Oregon Family Restaurant by St. Charles Hospital. They usually have someone there every Sunday. Maybe we should consider switching so we can be assured of at least having breakfast with another biker. Any ideas?

CHRISTMAS BANQUET: Our banquet next year will be at Timko's Holiday Inn 12/14/85.

NEXT MEETING: NEW MEETING PLACE!!!!!!! Sylvania F.O.P. Hall - 5470 S.Main (upstairs) in Sylvania. Directions: West on Monroe, left on Main St. At the bottom of the hill look for Sylvania Auto Parts. We meet upstairs above the business. Use the door on the right side of the building. You can park across the street. We will meet at 8:00 pm on Tues. 2/12/85. Hope to see more of you.

RECRUITING: We need new, old, and more members. Benefits of membership include; 1. Fall campout and picnic, 2. Winter campout and freeze out (this is a benefit?), 3. Midwest Rally (this gets national recognition!), 4. Technical tips and assistance, 5. Monthly newsletter (this sucker is priceless!), 6. Monthly fellowship with other BMW riders (we still wave as we pass), 7. Hopefully some dealer discounts soon. Membership in our club is an excellent value. I have saved many times my dues in used parts deals and mechanical advise. Let's pass these facts on to other potential members and especially to past members who we miss.

FREEZE OUT: Don Smith advises that our Freeze Out will be Feb. 2nd at Maumee Bay State Park Camp area. Soup and sandwich will be \$1.00. Camping with electric will be \$3.00. No showers, just port-a-johns. We will be sharing the area with some dog sled racers who will be racing at the park Feb. 2 & 3. Advise Don if you plan to attend.

CLASSIFIEDS: Nady PRC-9 intercoms (Pair), rider to passenger or bike to bike, used 15 min., \$100.00
Walter Friend 866-1448 Change of Zip code to 43528
