

Howdy Do !!

P.O. BOX 2509

NEWS: Ray's Yamaha is definitely in the BMW business. They have bikes and parts in stock. I have included a flyer with their hours, address, and the individuals to speak with. Andy Pelc's dealership is "probably" moving. Possibly in or near Livonia. That equals about 25 minutes longer driving time. They want to encourage us to continue business as any new facility they have will be larger. Move date is not known since they don't know the exact location. Maybe in the late summer or early fall.

FEB. MEETING: Our February meeting was 2/19/85 at the Sylvania F.O.P. Hall. We had twelve members and one well known guest/member, Gina Klear, present. The treasury stood at \$864.04. This new meeting place is very comfortable. Everyone should try to make the next meeting to enjoy this nice facility. Thanks to Ray & Jan Smith for setting us up. - We had a new member voted in unanimously. Art Lilje rides an 83 R80 RT. He is a swell guy and has already volunteered help on the rally. Is everyone else ready to follow his example ? Welcome Art !!

DUES: Membership dues are to be in by the end of March! Send them to Leslie Braun, 3209 St. Bernard Dr., Toledo, Ohio 43606. (471-1915)

SUNDAY BREAKFAST: Oregon Family Restaurant, Navarre Ave., next to St. Charles Hospital. 11:00 am.

RALLY: Much the same set up as last year. We need items to stuff in the Rally packets. Please prepare to volunteer your services this year. We will need help.

MILEAGE CONTEST: Starting in April you can get your starting mileages to Ray Williams. By the way Ray, mine will be 00000.0. Ha! If Pelc's doesn't move and take my bike with them.

FREEZE OUT: Yes, there was one. They had to set a record. -13 deg. F. Those gutting it out all night were Skip, Mike, and Kathleen Smith, Carol Thrush, Don Smith, and Ed and Marjorie Dietz. Honorable mentions go to Bob, Cindy, Brian, and Jeremy Peck, Carolyn Fisher, Norm Radtke, and me. Sandwiches and soup were served even though the flames on the stove kept freezing. What a tough bunch!

NEXT MEETING: 8:00 pm, Tues. 3/12/85. Sylvania F.O.P. Hall - 5470 S. Main (upstairs) in Sylvania. Park across the street. They even have refreshments! Maybe we will see some motorcycles at this meeting!!!
