Howdy Do!

This will be a shorty newsletter. Unfortunately, I was not able to attend the March meeting. I was in Florida. If it makes you feel better I could say it was cruddy, but I'd be lying. Finally, on our third trip down, we got nice weather. I really missed not having a bike.

MARCH MEETING: The March meeting was held on 3/12/85 at the Sylvania FOP Hall. We had 14 members including long time no see Ralph St. John. The treasury stands at \$921.41.

DUES: They were due by March 31st. This will be your last newsletter if you decided not to join. I can't see how anyone could do without this thing. Come on, send it in!! Membership cards will accompany the next letter.

RALLY: This year we get a beer wagon instead of a truck. This will mean more convenience and less costs. We will need help to make revisions to the rally packets at the April meeting. We still need items to put in the packets. If you can provide, bring at least 200 of whatever you think you would like to get in a rally packet. Food samples, maps, soaps, lubes, trinkets, rubies, diamonds, etc. Ha!

MILEAGE CONTEST: Starting mileages to Ray Williams, don't forget.

NEXT MEETING: 8:00 pm, Tues. 4/9/85. Sylvania FOP Hall - 5470 S. Main (upstairs) Park across the street. Hopefully it will be warm enough to ride.
