

Howdy Do! Sorry I'm late. I almost forgot.
 Thinking about riding , not writing.

 TOLEDO, OHIO 43606

MAY MEETING: Meeting started at 8:04pm at Dan and Les Braun's. We had 18 members and two guests, Scott Schuett and Carol Thrush, present. As promised, Les had a wonderful dessert prepared. Treasury stood at \$909.87. Meeting adjourned at 8:35 pm. We then stuffed rally packets along with our faces.

MILEAGE CONTEST: Keep track of states visited and all events attended for Ray.

TECHNICAL: Dale Foster pointed out an interesting practice. We should check and/or repack our wheel bearings when changing tires. I will.

NEXT MEETING: Tuesday, June 11th, 8:00 pm. Sylvania FOP Hall, 5470 S. Main (upstairs).

FACTS FROM THE PAST: This is a new entry. Bob Klear wrote the first newsletter for the first meeting Nov.15, 1969. Dale Foster bought a Moto Guzzi in 1970, thus making him the first honorary member. (They gave him hell about it in the newsletter back then. Ha!)

RALLY: Though lightly attended (I believe 32), I thought the quality and personalities of those in attendance were very interesting. To those club members who attended and especially those who worked at the various stations a hearty thanks! Dan & Les saw us through it all and deserve the most praise. As I left Sunday morning I saw Les slumped over the wheel of her car (had to be totally pooped. I wonder if Schultz had to drive home?) as she waited for "Mr. BMW" to pack up. My last question to Don Smith, "Hey meester, want to buy a watch?" Ha!

CLASSIFIEDS: NOTHING FOR SALE
