AUGUST MEETING: The August meeting started at 8:03 pm at the Sylvania FOP Hall. We had 10 members and one guest (Tom Isbell) present. Treasury stood at \$1098.57.

FALL CAMPOUT & PICNIC: This festive and culinary event will be held at Maumee Bay State Park Sept. 14th (campout) and 15th (picnic). We allotted \$150 to Les Braun to buy pop, beer, and STEAKS! If you plan to camp or attend the picnic, you have to call Les (474-1915) and advise her if you are staying and what you will supply for the picnic. If you don't call, there will be no food for you. Call soon. This event is only two weeks away.

FAIRMONT MUSEUM FESTIVAL: Enclosed are flyers pertaining to this event. Don Smith plans to attend this function and highly recommends it. He will be leaving Sept. 28 at 9:00 am from Don's Drive In (Maumee - Conant and the Trail).

BUCKEYE BEEMER RALLY: Coming up this weekend. Sept. 7-9. I plan to go. Give me a call if you want to ride down together.

MIDWEST RALLY: Planning is underway. Rick Pelton is the Rally Chairman. I am still checking into the Ottawa County Fairgrounds. I have to attend the next Fair Board meeting (which is the same night as our meeting, so I'll be missing from ours). Their secretary doesn't see any problems, but they want to see me in person. Plans still call for the 3rd weekend in June.

NEWS: Merle and Nancy Cunningham are now Florida ambassadors for the MOA. Ray Smith and myself are both preparing separate attempts to join the 1000 in 1 club. Did you know that everyone is born right handed ... and only the smartest people learn to overcome it.

PROGRESSIVE DINNER VOLUNTEERS: We need some!

Next MEETING: Tuesday, Sept. 10th, 8:00 pm., Sylvania FOP Hall. Be there! Aloha!
