DECEMBER MEETING: After a very nice buffet meal our Dec. meeting started at 9:20 pm at the Timko's Banquet Room. We had 15 members and seven guests present. Guests included Mark Webel, Cindy Biller, Elizabeth Davis, Carol Thrush, Gina Klear, Judy Brower, and Sarsaparilla, the Harley-Davidson barmaid. We talked about lots of things ....,but I had two beers and can't remember what they were. Treasury stood at \$883.80. My compliments to Don Smith for setting up all those door prizes. It takes a lot of time and energy and really did provide us with lots of entertainment. I will cherish both of my cruise controls forever. Ha! Thanks Don!

Still in the news, Don won the privilege of giving our mascot a home for the coming year. I've noticed a trend in the members of wanting to win this distinction. That's good! The meeting adjourned at 10:15 pm to make way for door prize heaven.

CONTESTS: Bettye Mobley won the high mileage and most states visited awards. She rode 14,365 miles and saw 19 states. She's doing that on a 130K bike with worn out shocks that I gave her three years ago. Way to go Kido! Don Smith won the most events attended award with 19 to his credit.

Since Ray Smith is the new Vice-Pres./Road Capt., all members should prepare to give him their starting mileages. Marjorie Dietz - I suggest you call Ray and see if he will start in January. Ha!

RALLY: Our rally will use a "Support the Statue of Liberty" type theme. Ottawa County Fairgrounds. June 20-22. We will continue to remind you and prod you about this event in every newsletter. Mention this event to every BMW rider you talk to. I even mention it to people who are just interested in BMW motorcycles. They may have one by then. I hope we have more support from our members. Set this date aside NOW! Volunteer to do a job you enjoy before you get drafted! Members will have to come, and help, and stay over. It will be fun! and it will hopefully put the "Midwest" rally back on the map!

DUES: You may start paying them anytime. \$15.00 single - \$20.00 couple. Officers dues are covered by the club. To Les Braun, 3209 St. Bernard Dr., Toledo, O. 43606. Don't wait till April. Pay now! We need the money.

NEXT MEETING: Tuesday, January 14th, 8:00 pm at the Sylvania FOP Hall. Let's all show up and talk about SPRING! Maybe a Burger at Ritzy's after. See ya!
