Howdy dot

Short meeting, good meal, last month. A lot of you missed some great food, great humor. Our meeting started at 8:10 pm at Churchhill's with 14 members and 4 guests (Phyllis, Judy, Marilyn, and Ryan) present. Our treasury has \$284.51 plus \$700 in escrow. There was no old business or new business. We did discuss concentrating on club functions, doing more riding and possibly lowering our dues.

Those of you who may have access to a new meeting place should check it out and let the club know. The building we meet in at present is for sale and of questionable status for the future.

No Rally is planned unless we get some ~~MA~~ Dedicated person to be Rally Chairman. Maybe this is the year to go to everyone else's.

Dues are due by the March meeting. I have received no responses to my last desperation invitation so restructuring, in my mind, is a viable alternative. No officers, no dues, and those of us still active in the club will have a big party with the treasury. Whaddayasay? Think about your ideas for Tuesday. We should decide soon.

Meeting will be Tuesday, Jan. 12th at 7:30 pm. Sylvania F.O.P. room, upstairs, at 5470 S, Main in Sylvania.

CLASSIFIEDS:

Dan Braun gave me a long list of stuff for sale. Guess what I can't find Dan? Sorry bout that. Call Dan for your BMW MC needs at 471-1915.

1986 BMW K75T, Black, 7K, Plexifairing, BMW bags and Trunk, engine guards, 4 way flasher, New Metzler 88 tires, Corbin seat, \$4400. A new set up like this will be \$6500. Don't wait. It is in the MOA and won't last long. I'd rather sell it locally. Jim 836-7383
