HOWDY DO!

The meeting at Dale's house was something else. 40 members showed up. Dale's wife had coffee and cookies ready and we couldn't even eat them all. Those of you ~~XX~~ who didn't show up really missed it. We talked about a lot of things, but kept the meeting informal.

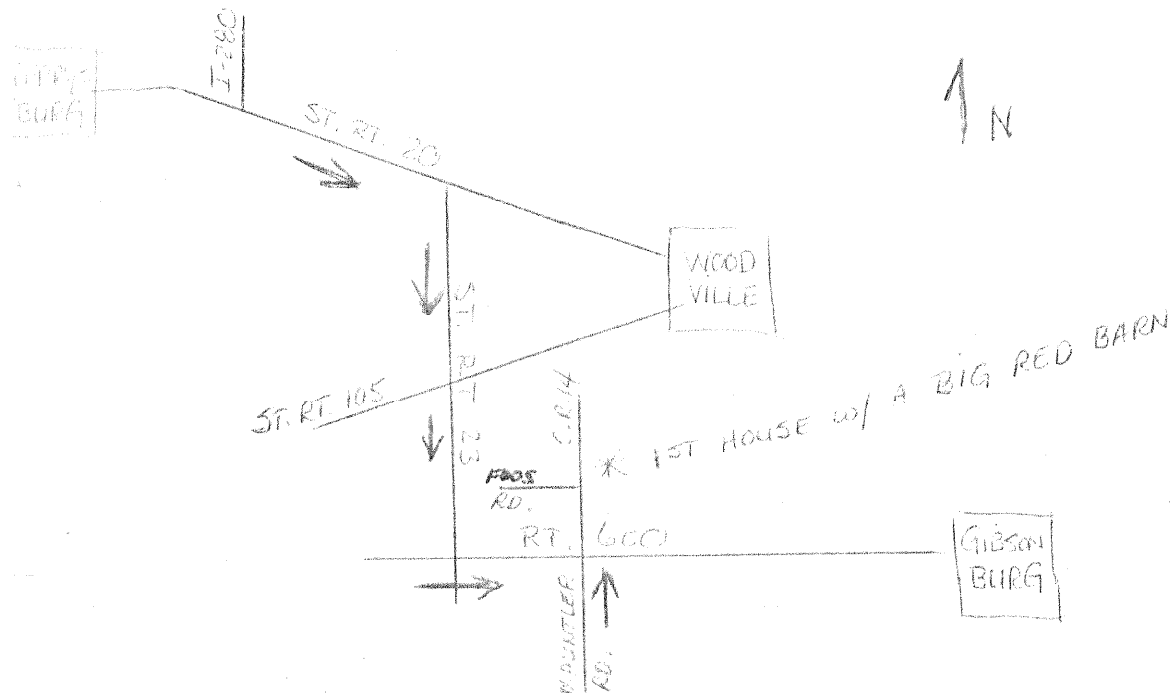

It seems that we will continue meeting at member's homes. It provides us with new places to ride to and lets us learn a little more about our fellow members. I was impressed by Dale's nice home and heard more about his other hobbies. We also agreed on several items concerning politics so I like him even better now, Ha!
This month we head "Out to the country" to Leo Páiffer's farm near Woodville. This will happen Friday April 22nd starting at 7:00 pm. Leo wasn't able to make the last meeting so I would suggest bringing something to munch, dish up, or slosh down so we all get something. Leo also mentioned that you could make it an overnighiter, but bring your pad, pillow, and bag. A map is included again for your directions.

The May meeting will be Tuesday, May 10th, at 7:30pm at Ernie Richards home in Erie, Mich. Some of us may want to meet early and have a sandwich on the way up.

I'm still working on member cards and discounts. The member roster will come with your next news letter.
