DECEMBER 1992 NEWSLETTER

GREETINGS & SALUTATIONS

Tis the season. Among other things its the season for renewal and relaxation.

We're soon to begin new year, inaugurate a new U.S. president and hail the introduction of a new Boxer from BMW.

It is, therefore, in the spirit of this renewal that this will be the last time that this column will appear in the newsletter, at least as a regular item. In its place I will introduce a new feature article to entertain and inform all of you in the new year, watch this space.

This will also be the last time that the officers names and addresses appear on the banner of the newsletter. Their names and info will be printed elsewhere in the news.

While I'm on the subject of change. I'd like to ask each and everyone of you to contribute in some way to the newsletter. You can write short articles, send in some tid-bit of information from any source or announce some event of significance in your life. Please, just help me out.
