MINUTES for APRIL

*Minutes for April were accepted as printed
in march newsletter*

PRESIDENTS REPORT

Bart commented on the great attendance we have been having at the meetings. Bart also commented on info he found on Internet on motorcycle accidents. He welcomed a new potential member Doug Linker.

VICE-PRESIDENT REPORT

Delbert mentioned some BMW recalls he found on the Internet. Mentioned campouts coming up Susie Greenery's and others.

SECRETARY REPORT

Sent out campout ads to all motorcycle dealers in our news letter. Re-Psycle BMW sent an advertisement to invite our members to their openhouse held first Sunday of each month. Ad to be in upcoming newsletter.

TREASURER REPORT

Don stated incoming dues, disbursements, and total balance for the month. This report was accepted as given.

ROAD CAPTAIN REPORT

Gary with his usual sense of humor said that Delbert would secure campsites at 6am(not!). We need to get someone out there Gary will secure the sites.

OLD BUSINESS

Web site up and running. Campout dates and maps to be put on website. Articles to be put on website this month. Patch for club to be checked out this month.

NEW BUSINESS

Al Bastings was voted in. After Gary's usual objection. Comment was made to just let him vote first. We welcome you Al Bastings. Club patch to be checked into.

Bart's Thoughts

I've been doing some work on the motorcycle lately and I just love it. The work that is! The motorcycle is okay and it is great fun to ride it too. When you have a vehicle, you can work on ride then the experience of owning a motorcycle is complete. I is for me and some others I know anyhow.

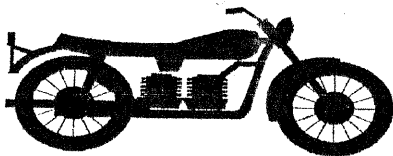

A NEW MOTORCYCLE IS HOW MUCH????-----\$20,000!!!!

If you wanted to go into debt for a motorcycle and the Dealer offered 0% interest rate and no finance charges or other fees, with a 10-year loan. Would you go for it? Or you could use that same money by opening an IRA and put \$2000 a year into it for 10 years. If you purchased, after 10 years you have a used motorcycle worth a little less then half of what you paid (if you took good care of it) that provided 10 years of enjoyment and transportation for about \$1000 a year. If you saved, you would be 10 years older and probably not interested or capable of enjoying a motorcycle as much. But you would have more money to spend on drugs and hospital bills than if you sold the motorcycle for \$9000.

Does this help you decide what to do about the normal springtime desire to own a new motorcycle?

I have to go back out into the garage and do some more wrenching now.

See you at Maumee Bay State Park for our Spring Campout!!

The Editors Column

Been riding enjoying all the wonderful days of great weather we have been having. no I know the newsletter is a few days late but the weather and motorcycle are too tempting go when you've got the weather. Working is tough on nice days but it's life!

Now we have a few things planned for the campout we have a Tony Packo's lunch and our meeting, there will also be two separate self guided rides to take if you wish. One of the rides goes up a familiar road OK a couple of roads. It runs along the maumee river upto Grand Rapids. This is a wonderful ride that takes you by some great historical places. It takes you by Fort Meigs a great place to learn about early settlers and early men in the military. There is a historic bridge that crosses the river at Waterville there is a pull off and some great views of the river from the bridge. There is a great view of the rapids at Ostego park. the river is beautiful here. Then there is the historic town of Grand Rapids. This town flourishes every year despite flooding on a regular basis. There is the historic mill and canal ride right across the river too. Then the dam at Mary Jane Thurston State Park. There is some great fun and history to be found in these places hope you will enjoy the ride and take some of it in. Of course the roads are great.

I hope the weather is nice for the campout . Hope to see you all there. Until then ride safe!!!
