BMW RIDERS OF TOLEDO September, 2007

August Meeting

The August meeting of the BMW riders of Toledo was called to order at 7:00 PM August, 25th. There were about 15 members in attendance.

President's Report

Ed discussed the MOA and RA rallies. He was able to attend the rally in West Bend on Saturday. Ed traveled thru the upper peninsula, stopped in Copper Harbor and commented on what a nice place that was. It was brought up that he would be finishing his term as president at the end of the year. So the President and Secretary positions will need to be filled for next year. Nominations for officers will be made in October.

Vice President's Report

Ron says " Whatever you do you should think about replacing your battery when it gets five years old" This is the voice of experience.

Secretary

There were no minutes from the month of July to approve , as we had no meeting . I passed around information about the upcoming Finger lakes Rally, August 31st– Sept 3rd and also the Clambake sponsored by The Cleveland RA club. (I will repeat this in an upcoming page.) Ed brought up that several members asked to have the newsletter mailed to them and I suggested that we just do a mass emailing to all current members.

Treasurer's Report

Don gave the treasurer's report. A motion was made to accept the report as given. The motion was seconded, and approved by all.

Road Captain's Report

Daryl talked a little about how the camp out was going– food preparations, funds and such. He recommended that we have the spring campout at the pit again next year along with the Cleveland club.

New Business

Cedar Plank Grill and Maggi's were suggested for locations for the October meeting. Ed will follow up to see if Maggi's is available. Daryl suggested that for next year that we try set a schedule of meetings far in advance or standardize on one meeting place.

President's Message – Sept, 2007

Well, it's Sept. 1 already. Summer is coming to an end. Fall will be here shortly. I like the fall because the outdoor air temperature is cooler making for great riding weather.

We had our summer campout last weekend. The weather forecast called for rain and thunderstorms. While having dinner Friday night in Port Clinton, we heard about the tornado warning for Lucas County. Fortunately, most of the weather went to our north. We did get some rain but not any wind. Saturday late afternoon and evening was nice. It made for a nice campfire. Daryl Apple did a great job making Saturday breakfast, dinner and Sunday breakfast. Gary Haydel made coffee every morning. It was more like espresso than coffee. Kept you wired all day.

Hope everybody had a chance to do some riding this summer. I did some but not as much as I wanted to. The Cleveland club is having their Clam Bake Sept. 21, 22, 23. I'm planning to go on Friday. If anybody wants to ride along, call or email me.

If all went well, you received this newsletter by email. We've had some complaints about posting it on the website. People were forgetting to check the website and there was a time lag from when Jim wrote the newsletter and when it was posted. Hopefully, this will solve the problem. Remember to tell Jim of any changes to your email address.

Our next meeting will be at Gary Haydel's house on Sept. 15 at 4:00 P.M. We will be celebrating Oktoberfest along with our meeting. Members should have received an email invitation.

On Sunday, you may want to check out "All Clubs Day" in Stockbridge. See below.
