October Meeting Minutes

The October meeting was called to order by Gary. There were 10 members and one guest in attendance.

OFFICERS REPORTS

President

We didn't make the last meeting. We were at the MotoGP races in Indy getting wet and watching the guys go stupid fast in the rain. There won't be an Oktoberfest this year but we'll do it next year when the house is done.

Vice-President

Ed reported he's been looking for tires for his GS. He found some at motorcycle superstore on Rt. 51 in Clyde. Twenty bucks got them mounted and balanced. He mentioned the Cadiz Halloween campout in a few weeks.

Treasurer

There was no activity this month. We have \$997.67 in the bank and \$50 on hand for a balance of \$1056.67

Secretary

I have no report this month.

Road Captain

No report... It's the end of the year.

Webmaster

It's there

Business at Hand

New Business

November meeting is the last one of the year.

The annual holiday party is at hand. We need ideas on where and how much. Daryl mentioned Island House in Pt. Clinton but he'll have to get prices. They have buffet style which is approximately \$20 per person. The other option is to have the party at Maggies. The party will be on the second Saturday in January which is the 10th.

A motion was made to have the party at Maggies, seconded and approved.

We're going to need volunteers to schlep for gifts for the party. Daryl will talk to Schiets. We will have a family style gift exchange with a \$20 limit. The club will spend between \$100 — \$150 at each Schiets and BMW of Southeast Michigan for grand prizes. Gary will contact SEBMW.

Motion made, seconded and approved by all.

Elections are November 9th. It's not too late to assume the position! (giggle chortle snort) Or just come and vote.

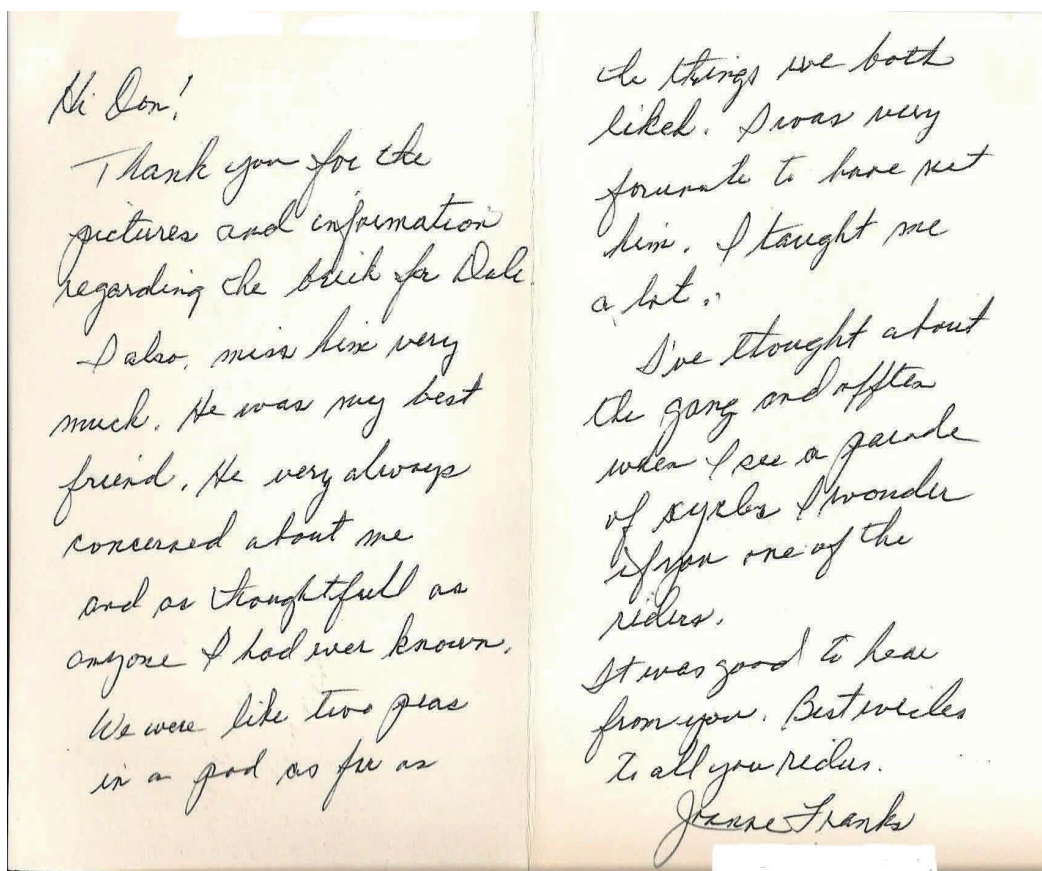

Paul Fleck is our newest member. Paul was immediately nominated for the Presidents position. **Welcome to the club Paul!**

The ride to Hopedale is realistically scheduled for next year. A date will be determined in the spring.

Ed mentioned the Oilhead bushing thingies are really easy to replace because he watched as he had Bart do this on his bike. Apparently these can be a real problem.

Motion made to close. Seconded and approved by all

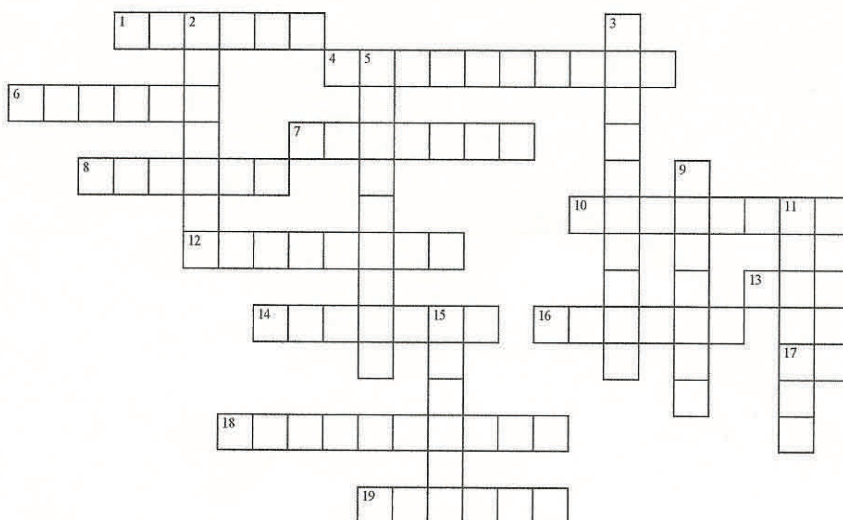

We received a very nice card from Joane Franks, friend of Dale Foster.

Merle Cunningham provided a most interesting video. This is helmet fitting 101 with Jay Leno and Bruce Porter of Arai.
