Business at Hand

Old Business

Talked about the winter banquet. No changes were recommended. Check the website for final details. No meeting in December.

New Business

Elections – The current officers were unanimously elected for another term.

The BMW MOA will have their national rally at Johnson City, TN and the BMW RA will have theirs at the Canaan Valley Resort State Park near Elkins, WV in 2009.

Notes From the Northeast Ohio RA Meeting

Debbie reported the RA is in great financial condition. There has been a little drop in membership but this may be due to the economy. A lot of people do not know that they MOA or RA exist. The membership base is pretty bare West of the Mississippi with the base being in the East. They are working on name recognition for the RA by working with dealers and sending copies of the OTL. Debbie is also working with and Internet radio show www.sidestandup.com which broadcasts on Tuesday evenings.

International membership is picking up. The OTL is doing well and working on subtle changes are coming through, i.e. BMW racing as much as possible. The AMA pulled out of Bikeweek leaving it to “Daytona Motorsports”. Mid-Ohio setup will be handled by Daytona Motorsports now. The AMA has eliminated the position of “Director of Special Events” held by Will Stoner. The OTL is looking for an “Editor in Chief” as Meredith is stepping back to “Contributing Editor”. Debbie urges everybody to step up to contribute to the OTL.... They’ll help put it together.

Renewals are due January 1st. Announced that the rally will be held in Canaan Valley the weekend following the MOA. L@@king for volunteers for committee chairs.

The new logo template is posted on the website. To remain a chartered club the new logo HAS to be incorporated. Clubs have two years to change by the end of 2010.
