Marks brick will be laid mid-May or two weeks before Memorial Day.

I will be updating the membership list and sending out to everyone. Cell phone numbers will be included but not published on the website. This is a good way of getting in contact at rallies and such.

New Business

September, October, November and holiday party is too early to discuss yet.

Discussion was held about the upcoming BMW club logo change. I have confirmed that the new logo must be implemented January 2010. In looking at the requirements and having downloaded the information on the changes from the BMW Clubs International Council it appears that not only the logo will change but our club name will change as well. As a club, we need to come up with designs or a redesign to our existing logo. We should begin discussing and tossing around ideas in May. So put your creative caps on and roll up your sleeves....
