Treasurer

There was income of \$23, \$40 spent for a gift for Eric at Schiets. We have \$911 in the bank, \$73 cash for a total of \$984. Motion made to accept. All accepted.

Road Captain

There have been more changes with East Harbor. They are allowing 50 people and six tents on a site with each site running \$90 per night. They are allowing 10 car passes per site but don't worry about that. We had site G2 last year. G1 was the lower part of the cemetery. We'll figure on

getting G1 and G2 if necessary. Show of hands of those that will be present determined we'll plan on G2 also. This will be the last weekend in August—28th/29th. Leo wants to bring the mammoth tent but we may not have room. Gary's shelter is available... (Someone come get it as we'll be at MotoGP). We must have minimum of 6 units on Friday. Daryl will front the money. Motion made and approved by all.

Not Present

The BMW Riders of Toledo are celebrating the 40th Anniversary of the club. We will be taking a group picture on July 8th at 7:00 P.M. at Pearson Park in Oregon with an ice cream ride to follow. Please plan to attend.

Business at Hand

Old Business

No old business

New Business

Club shirts were discussed again. Gary will be getting with Deb Harbour on the new logo prototype. The general feeling of using the new logo is that of being socialized and classified. Don has 20 patches and 10 decals left. Get 'em before they become contraband. The new items will have to have the new logo.

Ride to Hopedale was discussed again as well... (Seems to me this should this all be under "Old Business" and there should be no "New Business") Donna Meece still has her gear and would like to ride out. Jim offered to ride her out. The first Sunday after Labor Day is the day we'll go. The following Sunday will be the rain date.

Open Discussion

Deb Harbour, President of the BMW RA, spoke about the upcoming rally.

We're going back to Canaan Valley. The RA held the 2005 rally at this same location only to be chased out by Hurricane Ivan. It's a great place with delightful rides. There will be shuttle bus service available. One of the nights entertainment is a group from Colorado called "Best Bar Band". Saturday there will be movies and popcorn; Wild Hogs, Worlds Fastest Indian and jame Dean biker movies. The MOA International Rally is the week before in Johnson City, Tennessee. A planned Chicken run by the Rotary will be held north of Parsons. This is limited to 400 attendees and will cost \$7.00. Provided will be chicken foodies and a bluegrass band.

Volunteer schedules are now online. Security will get camping hats this year. The RA will be doing a rolling rally leaving Sunday and arriving Thursday. Bob's BMW will cater dinner; the ride is 250 miles per day. Registration is \$35 and you will receive a shirt, pin and door prizes awarded each night. Registration is online or download the PDF.

Merle Cunningham mentioned the MOA starting a leadership training class. This will be an all day thing for club officers. It could be a pretty interesting course for not only as the role of an officer but in every day life and dealing with people. The class is free and starts Wednesday prior to the rally and is limited to 3 officers per club. It will run from 9 a.m. to 3 p.m. More information can be found at the MOA's website. www.bmwmoa.org

Sensitivity training for Gary as a club officer may have been suggested.

There has been a rumor officially started by Deb Lower of the MOA. The next rally is 19 miles from the rally 30 years ago (1980); in Redmond, Oregon. This info came in the Ambassardor Newsletter. Same week as always.

I will be printing club cards for anybody that wants one. This will have our logo and website as well as your name. If you are interested and would like your phone number printed as well let me know.

Al won the 50/50 and donated that back to the club. Total take was \$75. Thank You Al!

Motion was made to close; Seconded and approved by all
