August Campout

The summer campout was held at the future retirement home of Al and Cassie Basting, in beautiful Western Mid Michigan. The setting couldn't have been better. The 7 adults and 7 children thoroughly enjoyed the quiet lake side area. The children enjoyed riding out onto the lake on Al's boat to take a dip in the cool refreshing water. Some of the adults went for a ride into Ludington to enjoy the dunes and the beach. The campfires were also enjoyed with the coming of evening. Brats, burgers and hotdogs with all the trimmings, pasta salad, baked potatoes, chips, brownies and cake, provided the Saturday night meal. Everyone enjoyed the meal and was ready to settle in for the approaching storm, but it never appeared. LUCKY US!!!

Despite a touch of a “bug” that caught Ron and Nancy early Sunday a.m., a good time was had by

and all in attendance.
